

## Week 1 – You Have a Calling

---

### Scriptures:

~ 1 Thessalonians 4:7 (NLT)

*God has called us to live holy lives, not impure lives.*

~ Philippians 3:14 (NKJV)

*I press toward the goal for the prize of the upward call of God in Christ Jesus.*

~ 1 Peter 3:9 (NLT)

*Don't repay evil for evil. Don't retaliate with insults when people insult you. Instead, pay them back with a blessing. That is what God has called you to do, and he will grant you his blessing.*

~ Galatians 5:13 (NLT)

*<sup>13</sup> For you have been called to live in freedom, my brothers and sisters. But don't use your freedom to satisfy your sinful nature. Instead, use your freedom to serve one another in love.*

### Reflective Questions:

---

1. What does it tell you about God that He gives you a specific calling?
2. How does knowing that everyone has a calling, not just pastors and ministers, change the way you approach life?
3. Who do you know that is living in their God-given calling? How can you tell?
